**Vol. 5 of the very successful kanzleramt compilation series comes for the very first time as a 14 track non stop Ableton Live DJ Mix by Heiko Laux.**

The CD contains previously only on 12inch released club anthems ranging from Solid Gold Playaz' smooth deep house opener "Le Soul Afrique" with 126 BPM up to Diego's 138 BPM techno monster "Throw the pig down the hill". It perfectly reflects the current range of styles and moods within the kanzleramt universe.
